Site Visit Form for Fluency Assessment and Intervention Activities

Please respond to the following questions after your visit to the treatment classrooms. Please submit these form online through the PATTAN website.

1. What was the nature of the assistance you provided to the teachers? (What kind of help did you provide?)

2. What was the extent of the assistance you provided to the teachers? (How much help did you provide?)

3. How do you think the system is helping the teachers in the area of fluency?

4. Were there any problems with the fluency technology system?
